December 15, 2023**

**Question:** The specifications state: “*Organizational strength, business reputation and professional capability to manage the type of Project proposed. Up to three (3) written references, preferably Camden County Clients (to be provided by the proposer) will be reviewed and considered. In identifying and establishing organizational strength and business reputation, a responding potential Construction Management firm should identify key members of the project team for the Project.*” **Do you want Camden County references or references from your county? Are other NJ counties acceptable?**

*Answer: Yes, other counties in South Jersey are acceptable. Pittsgrove Township School District is located in Salem County and borders both Cumberland and Gloucester counties. References in and surrounding Salem County would be acceptable.*
